

MELISSA BEDARD

Melissa Bedard became a Certified High Performance Coach™ and personal development advocate after a life long career in corporate America. Becoming a coach gave Melissa the springboard to do what she does best...to CHALLENGE and INSPIRE her clients to become the absolute best versions of themselves. Melissa helps aspiring women find clarity, their unique “voice” and more belief in themselves through a series of one-on-one sessions that identifies and breaks-through self imposed roadblocks. Melissa helps her clients gain the power to get out of their own way, to contribute more intently and with greater impact.

Prior to becoming a Coach, Melissa was a business leader in fashion retail, working for some of the top specialty brands in the retail world. She has a track record of delivering exceptional sales results through people development and team building, leaving a legacy of talent in her wake. Melissa’s coaching role allows her to continue what she always loved about her role in retail and what she has always done organically throughout her career...develop, inspire and motivate people...coaching is just a continuation of that calling.
